1.1. This Agreement shall be effective and binding on the Parties when Buyer: (a) clicks the check box on the official <https://Anryze.com/> website (the "Website") to indicate that Buyer has read, understands and agrees to the terms of this Agreement; or, if earlier (b) upon Company's receipt of payment from Buyer. Buyer agrees to be bound on this basis, and confirms that Buyer has read in full and understands this Agreement and the terms on which Buyer is bound.

1.2. Website Terms of Use. Company has established Terms of Use, as may be amended from time to time, for the Website located at <https://anryze.com/terms-of-use.html>, which are hereby incorporated by reference. Buyer has read, understands and agrees to those terms.

1.3. White Paper. Company has prepared the White Paper, which is available at https://www.ico.anryze.com//assets/file/Anryze_White_Paper.pdf, describing matters relating to the ANRYZE.COM Software. The White Paper, as it may be 3 amended from time to time, is hereby incorporated by reference. Buyer has read and understands the White Paper and its contents.

1.4. Anryze Tokens.

a. No Purpose. As mentioned above, the Anryze Tokens do not have any rights, uses, purpose, attributes, functionalities or features, express or implied. Although Anryze Tokens may be tradable, they are not an investment, currency, security, commodity, a swap on a currency, security or commodity or any other kind of financial instrument.

b. Company's Use of Proceeds. Buyer acknowledges and understands that the proceeds from the sale of the Anryze Tokens will be utilized by Company in its sole discretion.

ARTICLE TWO: Anryze TOKEN DISTRIBUTION

2.1. Allocation and Distribution of Anryze Tokens. anyrize.com intends to allocate and distribute Anryze Tokens (the “Anryze Token Distribution”) in accordance with the material specifications as set forth in Exhibit A to this Agreement which includes details regarding the timing (the “Anryze Distribution Period”) and pricing of the Anryze Token Distribution and the amount of Anryze Tokens that will be distributed. During the Anryze Distribution Period, anyrize.com will provide specific procedures on how Buyer should purchase Anryze Tokens through the official Website. By purchasing Anryze Tokens, Buyer acknowledges and understands and has no objection to such procedures and material specifications. Failure to use the official Website and follow such procedures may result in Buyer not receiving any Anryze Tokens. Any buyer of Anryze Tokens may lose some or all of the amounts paid in exchange for Anryze Tokens, regardless of the purchase date. The access or use of the Anryze Distribution Contract, access or use of the Anryze Token Contract and/or the receipt or purchase of Anryze through any other means other than the official Website are not sanctioned or agreed to in any way by the anyrize.com Parties. Buyer should take great care that the website used to purchase Anryze Tokens has the following universal resource locator (URL): <https://ico.anyrize.com/>.

2.2. No U.S. Buyers. The Anryze Tokens are not being offered to U.S. persons. U.S. persons are strictly prohibited and restricted from using the Anryze Distribution Contract, using the Anryze Token Contract and/or purchasing Anryze Tokens and Company is not soliciting purchases by U.S. persons in any way. If a U.S. person uses the Anryze Distribution Contract, uses the Anryze Token Contract and/or purchases Anryze Tokens, such person has done so and entered into this Agreement on an unlawful, unauthorized and fraudulent basis and this Agreement is null and void. Company is not bound by this Agreement if this Agreement has been entered into by a U.S. person as Buyer or Buyer has entered into this Agreement or has purchased Anryze Tokens on behalf of a U.S. person, and Company may take all necessary and appropriate actions, in its sole discretion, to invalidate this Agreement, including referral of information to the appropriate authorities. Any U.S. person who uses the Anryze Distribution Contract, uses the Anryze Token Contract and/or purchases Anryze Tokens or enters this Agreement on an unlawful, unauthorized or fraudulent basis shall be solely liable for, and shall indemnify, defend and hold harmless anyrize.com and anyrize.com’s respective past, present and future employees, officers, directors, contractors, consultants, equity holders, suppliers, vendors, service providers, parent companies, subsidiaries, affiliates, agents, representatives, predecessors, successors and assigns (collectively, the “anyrize.com Parties”) from any damages, losses, liabilities, costs or expenses of any kind, whether direct or indirect, consequential, compensatory, incidental, actual, exemplary, punitive or special and including, without limitation, any loss of business, revenues, profits, data, use, goodwill or other intangible losses (collectively, the “Damages”) incurred by a anyrize.com Party that arises from or is a result of such U.S. person’s unlawful, unauthorized or fraudulent use of the Anryze Distribution Contract, unauthorized use of the Anryze Token Contract and/or the receipt or purchase of Anryze Tokens.

2.3. Allocation and Sale of Anryze Tokens to anyrize.com Parties. Buyer understands and consents to the participation of the Company’s past, present and future employees, officers, directors, contractors, consultants, equity holders, suppliers, vendors and service providers in the purchase of Anryze Tokens, including people who may work on the development and implementation of the ANRYZE.COM Software or who may work for anyrize.com’s future

businesses which anyrize.com may establish with a portion of the proceeds from the Anyrize Token Distribution. All such anyrize.com Parties will participate on the same terms as every other buyer of Anyrize Tokens and will be bound by this Agreement.

2.4. No Representations and Warranties. The Anyrize Tokens will be distributed to buyers thereof pursuant to the Anyrize Distribution Contract and the Anyrize Token Contract. None of the anyrize.com Parties makes any representations or warranties, express or implied, including, without limitation, any warranties of title or implied warranties of merchantability or fitness for a particular purpose with respect to the Anyrize Distribution Contract, the Anyrize Token Contract or the Anyrize Tokens or their utility, or the ability of anyone to purchase or use the Anyrize Tokens. Without limiting the foregoing, none of the anyrize.com Parties represent or warrant that the process of purchasing the Anyrize Tokens or receiving the Anyrize Tokens will be uninterrupted or error-free or that the Anyrize Tokens are reliable and error-free. As a result, Buyer acknowledges and understands that Buyer may never receive Anyrize Tokens and may lose the entire amount Buyer paid to Company. Buyer shall provide an accurate digital wallet address to Company for receipt of any Anyrize Tokens distributed to Buyer pursuant to the Anyrize Distribution Contract and the Anyrize Token Contract.

2.5. Not an Offering of Securities, Commodities, or Swaps. The sale of Anyrize Tokens and the Anyrize Tokens themselves are not securities, commodities, swaps on either securities or commodities or a financial instrument of any kind. Purchases and sales of Anyrize Tokens are not subject to the protections of any laws governing those types of financial instruments. This Agreement and all other documents referred to in this Agreement including the White Paper do not constitute a prospectus or offering document, and are not an offer to sell, nor the solicitation of an offer to buy an investment, a security, commodity, or a swap on either a security or commodity.

2.6. Not an Investment. Buyer should not participate in the Anyrize Token Distribution or purchase Anyrize Tokens for investment purposes. Anyrize Tokens are not designed for investment purposes and should not be considered as a type of investment. Within forty-eight (48) hours from the end of the Anyrize Distribution Period, all Anyrize Tokens will no longer be transferable and the Anyrize Token Contract will prevent all further transfers and public key mappings. At this point, the distribution of Anyrize Tokens will be complete. Buyer acknowledges, understands and agrees that Buyer should not expect and there is no guarantee or representation or warranty by Company that: (a) the ANRYZE.COM Software will ever be adopted; (b) the ANRYZE.COM Software will be adopted as developed by anyrize.com and not in a different or modified form; (c) a blockchain utilizing or adopting the ANRYZE.COM Software will ever be launched; and (d) a blockchain will ever be launched with or without changes to the ANRYZE.COM Software and with or without a distribution matching the fixed, non-transferable Anyrize Token balances. Furthermore, Anyrize Tokens will not have any functionality or rights on the Anyrize Platform and holding Anyrize Tokens is not a guarantee, representation or warranty that the holder will be able to use the Anyrize Platform, or receive any tokens utilized on the Anyrize Platform, even if the Anyrize Platform is launched and the ANRYZE.COM Software is adopted, of which there is no guarantee, representation or warranty made by Company.

2.7. Not for Speculation. Buyer acknowledges and agrees that Buyer is not purchasing Anryze Tokens for purposes of investment, speculation, as some type of arbitrage strategy, for immediate resale or other financial purposes.

ARTICLE THREE: NO OTHER RIGHTS CREATED

3.1. No Claim, Loan or Ownership Interest. The purchase of Anryze Tokens: (a) does not provide Buyer with rights of any form with respect to the Company or its revenues or assets, including, but not limited to, any voting, distribution, redemption, liquidation, proprietary (including all forms of intellectual property), or other financial or legal rights; (b) is not a loan to Company; and (c) does not provide Buyer with any ownership or other interest in Company.

3.2. Intellectual Property. Company retains all right, title and interest in all of Company's intellectual property, including, without limitation, inventions, ideas, concepts, code, discoveries, processes, marks, methods, software, compositions, formulae, techniques, information and data, whether or not patentable, copyrightable or protectable in trademark, and any trademarks, copyright or patents based thereon. Buyer may not use any of Company's intellectual property for any reason without Company's prior written consent.

ARTICLE FOUR: SECURITY AND DATA; TAXES

4.1. Security and Data Privacy.

a. Buyer's Security. Buyer will implement reasonable and appropriate measures designed to secure access to: (i) any device associated with Buyer and utilized in connection with Buyer's purchase of Anryze Tokens; (ii) private keys to Buyer's wallet or account; and (iii) any other username, passwords or other login or identifying credentials. In the event that Buyer is no longer in possession of Buyer's private keys or any device associated with Buyer's account or is not able to provide Buyer's login or identifying credentials, Buyer may lose all of Buyer's Anryze Tokens and/or access to Buyer's account. Company is under no obligation to recover any Anryze Tokens and Buyer acknowledges, understands and agrees that all purchases of Anryze Tokens are non-refundable and Buyer will not receive money or other compensation for any Anryze Tokens purchased.

b. Additional Information. Upon Company's request, Buyer will immediately provide to Company information and documents that Company, in its sole discretion, deems necessary or appropriate to comply with any laws, regulations, rules or agreements, including without limitation judicial process. Such documents include, but are not limited to, passport, driver's license, utility bills, photographs of associated individuals, government identification cards, or sworn statements. Buyer consents to Company disclosing such information and documents in order to comply with applicable laws, regulations, rules or agreements. Buyer acknowledges that Company may refuse to distribute Anryze Tokens to Buyer until such requested information is provided.

4.2. Taxes. Buyer acknowledges, understands and agrees that: (a) the purchase and receipt of Anryze Tokens may have tax consequences for Buyer; (b) Buyer is solely responsible for Buyer's compliance with Buyer's tax obligations; and (c) Company bears no liability or responsibility with respect to any tax consequences to Buyer.

ARTICLE FIVE: REPRESENTATIONS AND WARRANTIES OF BUYER

By buying Anryze Tokens, Buyer represents and warrants to each of the anryze.com Parties that:

5.1. Not a US Person: Buyer is not a U.S. person.

5.2. Authority. Buyer has all requisite power and authority to execute and deliver this Agreement, to use the Anryze Distribution Contract and the Anryze Smart Contract, purchase Anryze Tokens, and to carry out and perform its obligations under this Agreement.

a. If an individual, Buyer is at least 18 years old and of sufficient legal age and capacity to purchase Anryze Tokens.

b. If a legal person, Buyer is duly organized, validly existing and in good standing under the laws of its domiciliary jurisdiction and each jurisdiction where it conducts business.

5.3. No Conflict. The execution, delivery and performance of this Agreement will not result in any violation of, be in conflict with, or constitute a material default under, with or without the passage of time or the giving of notice: (a) any provision of Buyer's organizational documents, if applicable; (b) any provision of any judgment, decree or order to which Buyer is a party, by which it is bound, or to which any of its material assets are subject; (c) any material agreement, obligation, duty or commitment to which Buyer is a party or by which it is bound; or (d) any laws, regulations or rules applicable to Buyer.

5.4. No Consents or Approvals. The execution and delivery of, and performance under, this Agreement require no approval or other action from any governmental authority or person other than Buyer.

5.5. Buyer Status. Buyer is not subject to any of the disqualifying events listed in Rule 506(d)(1) of Regulation D under the Securities Act of 1933 (a "Buyer Event"), and there is no proceeding or investigation pending or, to the knowledge of Buyer, threatened by any governmental authority, that would reasonably be expected to become the basis for a Buyer Event.

5.6. Buyer Knowledge and Risks of Project. Buyer has sufficient knowledge and experience in business and financial matters, including a sufficient understanding of blockchain or cryptographic tokens and other digital assets, smart contracts, storage mechanisms (such as digital or token wallets), blockchain-based software systems and blockchain technology, to be able to evaluate the risks and merits of Buyer's purchase of Anryze Tokens, including but not limited, to the matters set forth in this Agreement, and is able to bear the risks thereof, including loss of all amounts paid, loss of Anryze Tokens, and liability to the anryze.com Parties and others for its acts and omissions, including with limitation those constituting breach of this Agreement, negligence, fraud or willful misconduct. Buyer has obtained sufficient information in order to make an informed decision to purchase Anryze Tokens.

5.7. Funds; Payments.

a. Funds. The funds, including any fiat, virtual currency or cryptocurrency, Buyer uses to purchase Anryze Tokens are not derived from or related to any unlawful activities, including but not limited to money laundering or terrorist financing, and Buyer will not use the Anryze Tokens to finance, engage in, or otherwise support any unlawful activities.

b. Payments. All payments by Buyer under this Agreement will be made only in Buyer's name, from a digital wallet or bank account not located in a country or territory that has been designated as a "non-cooperative country or territory" by the Financial Action Task Force, and is not a "foreign shell bank" within the meaning of the U.S. Bank Secrecy Act (31 U.S.C. § 5311 et seq.), as amended, and the regulations promulgated thereunder by the Financial Crimes Enforcement Network, as such regulations may be amended from time to time.

5.8. Miscellaneous Regulatory Compliance.

a. Anti-Money Laundering; Counter-Terrorism Financing. To the extent required by applicable law, Buyer complies with all anti-money laundering and counterterrorism financing requirements.

b. Sanctions Compliance. Neither Buyer, nor any person having a direct or indirect beneficial interest in Buyer or Anryze Tokens being acquired by Buyer, or any person for whom Buyer is acting as agent or nominee in connection with Anryze Tokens, is the subject of sanctions administered or enforced by any country or government (collectively, "Sanctions") or is organized or resident in a country or territory that is the subject of country-wide or territory-wide Sanctions.

ARTICLE SIX: DISCLAIMERS

6.1. Buyer expressly acknowledges, understands and agrees that Buyer is using the Anryze Distribution Contract, the Anryze Token Contract and purchasing Anryze Tokens at the Buyer's sole risk and that the Anryze Distribution Contract, the Anryze Token Contract and Anryze Tokens are each provided, used and acquired on an "AS IS" and on an "AS AVAILABLE" basis without representations, warranties, promises or guarantees whatsoever of any kind by Company and Buyer shall rely on its own examination and investigation thereof.

6.2. No Representation or Warranty. (A) COMPANY DOES NOT MAKE AND EXPRESSLY DISCLAIMS ALL REPRESENTATIONS AND WARRANTIES, 8 EXPRESS, IMPLIED OR STATUTORY; AND (B) WITH RESPECT TO THE Anryze DISTRIBUTION CONTRACT, THE Anryze TOKEN CONTRACT AND THE Anryze TOKENS, COMPANY SPECIFICALLY DOES NOT REPRESENT AND WARRANT AND EXPRESSLY DISCLAIMS ANY REPRESENTATION OR WARRANTY, EXPRESS, IMPLIED OR STATUTORY, INCLUDING WITHOUT LIMITATION, ANY REPRESENTATIONS OR WARRANTIES OF TITLE, NONINFRINGEMENT, MERCHANTABILITY, USAGE, SUITABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE, OR AS TO THE WORKMANSHIP OR TECHNICAL CODING THEREOF, OR THE ABSENCE OF ANY DEFECTS THEREIN, WHETHER LATENT OR PATENT.

ARTICLE SEVEN: RISKS

Anryze TOKENS MAY HAVE NO VALUE. BUYER MAY LOSE ALL AMOUNTS PAID. Buyer has carefully reviewed, acknowledges, understands and assumes the following risks, as well as all other risks associated with the Anryze Tokens (including those not discussed herein), all of which could render the Anryze Tokens worthless or of little value:

7.1. No Rights, Functionality or Features. Anryze Tokens have no rights, uses, purpose, attributes, functionalities or features, express or implied. Anryze Tokens do not entitle holders to participate on the Anryze Platform, even if the Anryze Platform is launched and the ANRYZE.COM Software's development is finished and the ANRYZE.COM Software is adopted and implemented.

7.2. Anryze Platform. Buyer should not purchase Anryze Tokens in reliance on the Anryze Platform because Anryze Tokens are not usable on the Anryze Platform and do not entitle Buyer to anything with respect to the Anryze Platform.

7.4. Blockchain Delay Risk. On the Ethereum blockchain, timing of block production is determined by proof of work so block production can occur at random times. For example, ETH contributed to the Anryze Smart Contract in the final seconds of a distribution period may not get included for that period. Buyer acknowledges and understands that the Ethereum blockchain may not include the Buyer's transaction at the time Buyer expects and Buyer may not receive Anryze Tokens the same day Buyer sends ETH.

7.5. Ethereum Blockchain. The Ethereum blockchain is prone to periodic congestion during which transactions can be delayed or lost. Individuals may also intentionally spam the Ethereum network in an attempt to gain an advantage in purchasing cryptographic tokens. Buyer acknowledges and understands that Ethereum block producers may not include Buyer's transaction when Buyer wants or Buyer's transaction may not be included at all.

7.6. Ability to Transact or Resell. Buyer may be unable to sell or otherwise transact in Anryze Tokens at any time, or for the price Buyer paid. By using the Anryze Distribution Contract or the Anryze Token Contract or by purchasing Anryze Tokens, Buyer acknowledges, understands and agrees that: (a) Anryze Tokens may have no value; (b) there is no guarantee or representation of liquidity for the Anryze Tokens; and (c) the anryze.com Parties are not and shall not be responsible for or liable for the market value of Anryze Tokens, the transferability and/or liquidity of Anryze Tokens and/or the availability of any market for Anryze Tokens through third parties or otherwise.

7.7. Token Security. Anryze Tokens may be subject to expropriation and or/theft. Hackers or other malicious groups or organizations may attempt to interfere with the Anryze Distribution Contract, the Anryze Token Contract or the Anryze Tokens in a variety of ways, including, but not limited to, malware attacks, denial of service attacks, consensusbased attacks, Sybil attacks, smurfing and spoofing. Furthermore, because the Ethereum platform rests on open source software and Anryze Tokens are based on open source software, there is the risk that Ethereum smart contracts may contain intentional or unintentional bugs or weaknesses which may negatively affect the Anryze Tokens or result in the loss of Buyer's Anryze

Tokens, the loss of Buyer's ability to access or control Buyer's Anryze Tokens or the loss of ETH in Buyer's account. In the event of such a software bug or weakness, there may be no remedy and holders of Anryze Tokens are not guaranteed any remedy, refund or compensation.

7.8. Access to Private Keys. Anryze Tokens purchased by Buyer may be held by Buyer in Buyer's digital wallet or vault, which requires a private key, or a combination of private keys, for access. Accordingly, loss of requisite private key(s) associated with Buyer's digital wallet or vault storing Anryze Tokens will result in loss of such Anryze Tokens, access to Buyer's Anryze Token balance and/or any initial balances in blockchains created by third parties. Moreover, any third party that gains access to such private key(s), including by gaining access to login credentials of a hosted wallet or vault service Buyer uses, may be able to misappropriate Buyer's Anryze Tokens. Company is not responsible for any such losses.

7.9. Anryze Tokens Will Become Non-Transferable. Buyer acknowledges and understands that Anryze Tokens will become non-transferrable within forty-eight (48) hours after the end of the Anryze Distribution Period. At this time, Buyer will no longer be able to map a public key to Buyer's account and Buyer will not be able to transfer Anryze Tokens on the Ethereum blockchain. Some cryptocurrency exchanges may on their own accord enable Anryze Tokens to continue trading, but the exchanges will be unable to accept new deposits or authorize withdrawals of Anryze Tokens.

7.10. New Technology. The ANRYZE.COM Software and the Anryze Platform and all of the matters set forth in the White Paper are new and untested. The ANRYZE.COM Software might not be capable of completion, implementation or adoption. It is possible that no blockchain utilizing the ANRYZE.COM Software will ever be launched and there may never be an operational Anryze Platform. Buyer should not rely on the ANRYZE.COM Software or the ability to receive tokens associated with the Anryze Platform in the future. Even if the ANRYZE.COM Software is completed, implemented and adopted, it might not function as intended, and any tokens associated with a blockchain adopting the ANRYZE.COM Software may not have functionality that is desirable or valuable. Also, technology is changing rapidly, so the Anryze Tokens and any tokens transferable on the Anryze Platform may become outdated.

7.11. Reliance on Third-Parties. Even if completed, the ANRYZE.COM Software will rely, in whole or partly, on third parties to adopt and implement it and to continue to develop, supply, and otherwise support it. There is no assurance or guarantee that those third parties will complete their work, properly carry out their obligations, or otherwise meet anyone's needs, all of which might have a material adverse effect on the ANRYZE.COM Software and Anryze Platform.

7.12. Failure to Map a Public Key to Buyer's Account. Failure of Buyer to map a public key to Buyer's account may result in third parties being unable to recognize Buyer's Anryze Token balance on the Ethereum blockchain when and if they configure the initial balances of a new blockchain based upon the ANRYZE.COM Software of which Company makes no representation or guarantee.

7.13. Exchange & Counterparty Risks. If Buyer sends ETH to the Anryze Token Contract from an exchange or an account that Buyer does not control, pursuant to the Anryze Token Contract, Anryze Tokens will be allocated to the account that has sent ETH; therefore, Buyer may never receive or be able to recover Buyer's Anryze Tokens. Furthermore, if Buyer chooses to maintain or hold Anryze Tokens through a cryptocurrency exchange or other third party, Buyer's Anryze Tokens may be stolen or lost. In addition, third parties may not recognize Buyer's claim to any derivative tokens if and when launched by third parties according to the distribution rules set in the ANRYZE.COM Software. By using the Anryze Distribution Contract, using the Anryze Token Contract and/or by purchasing Anryze Tokens, Buyer acknowledges and agrees that Buyer sends ETH to the Anryze Token Contract through an exchange account and/or holds Anryze Tokens on a cryptocurrency exchange or with another third party at Buyer's own and sole risk.

7.14. Changes to the ANRYZE.COM Software. The ANRYZE.COM Software is still under development and may undergo significant changes over time. Although Company intends for the ANRYZE.COM Software to have the features and specifications set forth in the White Paper, Company may make changes to such features and specifications for any number of reasons, and any party that adopts the ANRYZE.COM Software and launches the Anryze Platform also may make changes, any of which may mean that the Anryze Platform does not meet Buyer's expectations.

7.15. Risk of Alternative Blockchains based on ANRYZE.COM Software. The ANRYZE.COM Software will not likely be licensed under an open source license until after the end of the Anryze Distribution Period; however, it is possible somebody will not respect the ANRYZE.COM Software copyright or will modify the ANRYZE.COM Software after it has been released under an open source license. Therefore, it is possible for someone to utilize the ANRYZE.COM Software to build and launch blockchain protocols using a token distribution other than the one intended for the Anryze Tokens pursuant to the ANRYZE.COM Software both prior to or after the ANRYZE.COM Software has become licensed as open source.

7.16. Risk of Lack of Transferability in Blockchain Cryptographic Token. The ANRYZE.COM Software is built such that any blockchain that adopts the ANRYZE.COM Software will require approval of holders of not less than 30% of the total issued and outstanding Anryze Tokens before tokens on such blockchain (the "Blockchain Tokens") can be transferred. In other words, if the ANRYZE.COM Software is adopted, it will be the responsibility of holders holding at least 30% of the issued and outstanding Anryze Tokens to adopt one or more blockchains in order for Blockchain Tokens received on such blockchains to be transferrable. Buyer acknowledges, understands and agrees that if the ANRYZE.COM Software is adopted and the requisite vote described above is not obtained, Buyer may not be able to transfer any Blockchain Tokens Buyer receives.

7.17. Project Completion. The development of the ANRYZE.COM Software may be abandoned for a number of reasons, including, but not limited to, lack of interest from the public, lack of funding, lack of commercial success or prospects, or departure of key personnel.

7.18. Lack of Interest. Even if the ANRYZE.COM Software is finished and adopted and the Anryze Platform is launched, the ongoing success of the Anryze Platform relies on the interest and participation of third parties like developers. There can be no assurance or guarantee that there will be sufficient interest or participation in the Anryze Platform.

7.19. Uncertain Regulatory Framework. The regulatory status of cryptographic tokens, digital assets and blockchain technology is unclear or unsettled in many jurisdictions. It is difficult to predict how or whether governmental authorities will regulate such technologies. It is likewise difficult to predict how or whether any governmental authority may make changes to existing laws, regulations and/or rules that will affect cryptographic tokens, digital assets, blockchain technology and its applications. Such changes could negatively impact Anryze Tokens in various ways, including, for example, through a determination that Anryze Tokens are regulated financial instruments that require registration. Company may cease the distribution of Anryze Tokens, the development of the ANRYZE.COM Software or cease operations in a jurisdiction in the event that governmental actions make it unlawful or commercially undesirable to continue to do so.

7.20. Risk of Government Action. As noted above, the industry in which Company operates is new, and may be subject to heightened oversight and scrutiny, including investigations or enforcement actions. There can be no assurance that governmental authorities will not examine the operations of Company and/or pursue enforcement actions against Company. Such governmental activities may or may not be the result of targeting Company in particular. All of this may subject Company to judgments, settlements, fines or penalties, or cause Company to restructure its operations and activities or to cease offering certain products or services, all of which could harm Company's reputation or lead to higher operational costs, which may in turn have a material adverse effect on the Anryze Tokens and/or the development of the ANRYZE.COM Software.

ARTICLE EIGHT: LIMITATION OF LIABILITY; INDEMNIFICATION

8.1. Limitation of Liability. To the fullest extent permitted by applicable law, Buyer disclaims any right or cause of action against the anryze.com Parties of any kind in any jurisdiction that would give rise to any Damages whatsoever, on the part of any anryze.com Party. Each of the anryze.com Parties shall not be liable to Buyer for any type of Damages, even if and notwithstanding the extent a anryze.com Party has been advised of the possibility of such Damages. Buyer agrees not to seek any refund, compensation or reimbursement from a anryze.com Party, regardless of the reason, and regardless of whether the reason is identified in this Agreement.

8.2. Damages. In no circumstances will the aggregate joint liability of the anryze.com Parties, whether in contract, warrant, tort or other theory, for Damages to Buyer under this Agreement exceed the amount received by Company from Buyer.

8.3. Force Majeure. Buyer understands and agrees that Company shall not be liable and disclaims all liability to Buyer in connection with any force majeure event, including acts of God, labour disputes or other industrial disturbances, electrical, telecommunications, hardware, software or other utility failures, software or smart contract bugs or weaknesses,

earthquakes, storms, or other nature-related events, blockages, embargoes, riots, acts or orders of government, acts of terrorism or war, technological change, changes in interest rates or other monetary conditions, and, for the avoidance of doubt, changes to any blockchain-related protocol.

8.4. Release.
